## ABOUT US

Massimo Furniture is a family hold company, established by the year 1975. Our company offers supreme quality of luxury furniture and interior design.

All of our designs are made by our own designers to fit your desires and needs. This passionate work ends up with unique creativity and endless comfort. With years of experience in custom made projects we can design products in all shapes, sizes, colors and fabrics.

All of our products are made by experienced craftsmen who have the necessary know-how and skills for creating and building high quality products. We have successfully accomplished many design and furniture works with customer satisfaction.

As Massimo Furniture, we would like to be your solution partner for your furniture and interior design needs.
